Compliments, concerns, and complaints regarding Environmental Services, Programs, Allied Health, and Dietary will be re-directed to the managers of these areas.

Sharing compliments, concerns, and complaints

When preparing to share a compliment, concern, or complaint consider providing as much information as you can, which may include:

- A description of what happened.
- When the situation occurred.
- Where the situation occurred. For example, inside or outside the home.
- Who was involved.
- What would you like to happen to resolve your concern, if applicable.
